

# BRIDGES

## BRIDGES Information Session

Monday, April 8th

Join Zoom Meeting

[LINK](#)

The BRIDGES Academic Leadership program offers UNC CHARLOTTE faculty and administrators the unique opportunity to develop and strengthen their leadership skills, knowledge, and networking to be successful change agents in their communities. BRIDGES won the 2013 State Network Leadership Award from the American Council on Education.

During this information session, you will learn about BRIDGES from past participants and will meet and network with other university women. We will also discuss the BRIDGES application process.
